Trip to Jekyll Island: 12-10 > 12

By-line Tim:

Making the trip were Ed & Jean, Tim & Lois, and Dave & Maya. The weather was chilly and damp although the forecast was for sunny and 60. Too bad we did not go the previous week. The decorations were good but not too many. The restaurant was great – everyone said. Our room was great, clean, nice, and warm.

The new X Men movie is being filmed there and we could see the set but not the actors. – Hugh Jackman, Patrick Stewart, and the young heartthrob whose name I do not recall. Otherwise the island was kind of empty but we enjoyed it.

Jean, Lois, and Maya did the Pier Road shops as well as the gift shops at the Jekyll Island Club. We had a couple of squirrels outside our door trying to get to the fresh nuts we had inside the room. The ride was good and the trip may be something to consider again. Overall I believe everyone enjoyed the trip. See a few pictures in the *Photo Gallery*.

Christmas Party: 12/14

Wow - a great crowd of folks for the Christmas party. In attendance were Jim & Ginny, Bob & Mickey (prior members), George & Carol, Lars & Carole, Dave & Maya, Bob & Sadie, Ed & Jean, Steve & Anita (welcome back from Kentucky), Art & Leslie, Chuck & Shirley, Jackie, John Reis, Mike (future member), Ray and Sandra, Jack & Yvonne, and Paul (friend of Jack's). Bob had a continuous running slide

show of the club events during the past year (about 20 of them). After everyone enjoyed a great dinner, Jim thanked the BOD for their support and all the club members for supporting the club. He then went over the new events from this year as well as some new outings coming up including a trip to the NASCAR Hall of Fame.

A raffle was then held with the following as winners of \$20 each: Konopsky's, Armstrong's, Ruland's, Gatz's, Quinn's and Dave Huber. A good time was had by all. It was a very good year!
